10/06/2025

Start
- Poynton Methodist Church Hall, Tea or coffee, toast and jam from 5am
- eBrevet: 25-67 (see below) – you must still pick up a Brevet Card at the start and leave it at the finish

Parking (at your own discretion and risk!)
- Pay and Display (8am until 3pm) at the Church Hall on both Saturday and Sunday. You will need to pay by **Ringo** app at 8am for 7 hours parking on both days, so set yourself an alarm. There is an additional 'convenience fee' when using the app! Use location code 2682765 and your car registration.
- Free parking at Poynton Industrial Estate (***https://what3words.com/upgrading.seated.copies***) between 6pm Friday and 8am Monday

Friday night
- We have the Methodist Church Hall on Friday evening from 7pm. Let me know if you wish to book floor space and I will bring airbeds and blankets, as well as tea and coffee. Accommodation is free but a donation of £5 towards the hall hire won't be refused! It's "lights out" at 10pm as we've an early start in the morning, and no snorers!
- You might also consider the Travelodge at nearby Adlington and the many hotels adjacent to Manchester Airport. There is also camping and caravans nearby at Elms Caravan Park.
- Poynton offers a fine choice of takeaway fish & chips, Chinese, Indian, Pizza. Feel free to drop in at the Church Hall on Friday evening to enjoy your meal, and we'll find plates and crockery and tea.

Route
- The route sheet and GPX file can be downloaded from ***www.peakaudax.co.uk/Kirtons.html***. The GPX is in a zipped file.
- Please check out the route sheet as it contains **useful tips in red** for things that your GPX might not show you.

Getting through Saturday night there are few facilities, so note:
- Gainsborough (211km) Morrisons closes at 9pm (café shuts at 5pm)
- Bardney (255km) Co-op closes 10pm
- Boston (295km) McDonalds is probably only drive-thru after 11pm so you will not be served.
- Corby Glen (340km) Our control in the village hall will have hot food, drinks and airbed and blankets. We may limit your nap to 3 hours if we have more riders than floor space.
- Colsterworth (348km) and Melton Mowbray (369km) have 24-hour petrol stations
- Donnington (404km) and Uttoxeter (448km) have 24-hour motorway-style services.

Bag Drop, Left Luggage – not on offer!

Finish
- I must have your completed Brevet Card after the ride. If you finish before me, register your eBrevet using the QR code on the post box outside the Church Hall and leave your signed card (and till receipts) in the box.
- There *may* be a finish controller in Poynton Costa before 6pm so look for an Audax UK control sign there.
- We have the Church Hall on Sunday from 6pm - 10pm with refreshments & beds. Do not drive after the event without resting

Validation
You must convince me that you have visited all the controls, and the best way to do that is by using eBrevet (see below). If you miss any eBrevet controls, get a till receipt from anywhere suitable (see the route sheet for suggestions).

eBrevet app
Download the app to your phone from **https://eb.audax.uk**

Download the event eBrevet on the app: select Menu (…) and click Settings, enter ride code 25-67 and SAVE. The select Menu again and Download Brevet

At each control, press the blue bicycle icon then press register. If it tells you that you are in the wrong place, try again as it takes a few seconds for your phone to catch up with your location. After 2 further such failures consider that you might actually be in the wrong place!

If you are late for the Binn Green control (29km) answer the Info Control on your Brevet Card but you must catch up for Askern control (93km).

Don't forget the first and last controls!
