

Dales and Abbots 2026

R = turn right **L** = turn Left **X** = crossroads **against** rider
RHB/LHB = right/left hand bend **Wiggle** = Offset **X**
O = roundabout **TL** = traffic Lights **Imm** = < 0.05km
T = T junction **SO** = Straight on **\$** = signpost
eff = effectively **thru** = through

Hazard warnings are in **red**

Next places you pass through are in **Bold**
left column is distance to next turn in km
right column is total distance travelled in km

The event is an excursion on public roads and bridleways where participants are responsible for their own safety and conduct. It is held under the regulations of Audax UK.

There are two Fords on the route, please use the foot bridges

At 92km there is a blind junction, please use the mirror opposite.

If you fold along the central line and trim the white edges these sheets will fit snugly into an AUK 'issue' plastic brevet-card bag.

Public Toilets:

Sudbury: Sweet little cafe
(in the courtyard of Sudbury Hall)
Tutbury: Pubs/cafe in town
Abbots Bromley: Pubs/cafe in town
Blythe Bridge: Public toilets at 97km
