

The Boat Trip Calendar and Perm 200km

Welcome to the Boat Trip

The Boat Trip is a 200km Audax which runs from Uxbridge, NW London up to the canal side [Boat Inn](#), Stoke Bruerne nr Towcester. The route is available as a Perm and also runs occasionally as a Calendar event. The route covers undulating countryside on mostly on good B roads with occasional sections of parkland (Eythrope Park/Waddesdon Manor).

Calendar Event

The calendar event starts and finishes from [The Tichenham Arms](#) a Wetherspoons P.H. in Ickenham, and features a mixture of unmanned café (collect a receipt) and info controls (answer a question from the Brevet).

The Calendar event is scheduled on a Sunday to take advantage of the free parking in [Community Close Car Park, Ickenham](#) close by the Tichenham Arms.

Perm Event

The Perm event nominally starts and finishes in Uxbridge town centre but riders can start from any location on route, the only requirement being to traverse all of the controls.
